Patrick Burke was a Lazy Bachelor from the day his parents dropped him off at the dorms freshman year until the day he got married fourteen years later. One time he went six days on nothing but bacon cheeseburgers. One other time he went seven days without eating anything outside of his car (but he lived in L.A. at the time, where that isn't all that unusual). Sure, he did lots of stuff during that time like work and college (twice), but about food and eating he was a Lazy Bachelor. The Bachelor Cookbook: Edible Meals with a Side of Sarcasm ...
