Print your own giant posters - CNET Print your own giant posters. If you want a wall-size poster without spending a dime, print them yourself using free software and some basic tools. See What You Need Before You Print Your Own Checks You can print your own checks with almost any printer. However, it is wise to use magnetic ink if you're going to print checks from scratch. Check reading machines at banks and retailers work best if your bank information is printed with magnetic ink. You can potentially get away with using plain-old ink (see below), but you need to know the tradeoffs. Finding magnetic ink is not always easy at local office supply stores, and it's more expensive than standard ink.
